Do that by creating a sales web page for the brand new e-book, however don't embrace a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different costs on every page. Ensure your sales copy is precisely the identical on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum worth is.
