promotional materials, and each time anyone asks you about your ebook.

As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with completely different prices on every page. Be sure your sales copy is strictly the similar on each web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a guide that solves a problem or presents a brand new approach, your guide will herald both site visitors and profits.
