price. Do that by making a sales web page for the brand new e book, however do not embody a worth on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Be sure your sales copy is exactly the same on each web page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

Finally, for those who've written a book that solves a problem or presents a new method, your ebook will usher in each site visitors and profits.
