An effective method for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price.

Do that by making a sales web page for the brand new book, however do not embrace a price on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is strictly the similar on each page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum price is.

Ultimately, for those who've written a e-book that solves a problem or presents a new technique, your ebook will usher in each site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1378 book can be to the purchasers who buy it.
