An effective method for determining a value is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the brand new ebook, however do not embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is strictly the identical on

each web page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.

In the end, when you've written a guide that solves a drawback or presents a brand new approach, your ebook will usher in each visitors and profits.
