this by creating a sales page for the brand new e book, but do not embrace a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with different costs on every page. Ensure that your sales copy is exactly the identical on every web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new technique, your guide will usher in each site visitors and profits.
