If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new book, however do not include a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is precisely the identical on

each web page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum value is.

In the end, if you've written a ebook that solves a problem or presents a brand new technique, your ebook will herald both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e book solves and what the benefits of your 1610 book shall be to the shoppers who buy it.
