Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is strictly the same on each page, and

includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum price is.

In the end, when you've written a guide that solves a downside or presents a new approach, your guide will herald both traffic and profits.
