An effective approach for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new e book, but don't include a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is strictly the same on

every page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum worth is.

Finally, should you've written a e-book that solves a downside or presents a new technique, your e-book will usher in both site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what drawback your guide solves and what the benefits of your 1938 e book can be to the customers who buy it.
