Do that by creating a gross sales web page for the brand new e-book, but do not embody a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your sales copy is exactly the similar on

each page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum price is.
