Begin at the highest price the market will bear to usher in the largest profits, and plan to discount the ebook a variety of instances all through the year.

As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with totally different prices on each page. Ensure that your gross sales copy is precisely the identical

on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a e-book that solves a problem or presents a new method, your e-book will bring in each site visitors and profits.
