Do that by creating a sales web page for the brand new e book, but don't embody a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the same on every

page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum price is.

Finally, if you happen to've written a e-book that solves a drawback or presents a brand new technique, your book will usher in both visitors and profits.
