The important thing that unlocks the gross sales potential of your book is to find a single sentence that turns into your promoting handle. An effective approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new guide, but don't include a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different costs on each page. Make sure your sales copy is precisely the same on every page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum value is.
