Begin at the highest price the market will bear to bring in the largest profits, and plan to discount the e-book a variety of instances throughout the year.

## Advertising Strategies

The key that unlocks the sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what question or drawback your e-book answers and the benefits your e-book can provide. Then be sure you use that sentence in each piece of sales and

promotional materials, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously online, there are several different methods that can show you how to sell extra books.

One is to give something away free of charge together with your book, similar to a priceless bonus item. Or bundle a number of ebooks below one worth, which lowers the price for each e book if they have been bought separately.

An efficient approach for determining a worth is to ship out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new e-book, but don't embody a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is precisely the identical on every page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.

In the end, should you've written a e book that solves a problem or presents a new method, your guide will bring in each site visitors and profits. So be sure to write that selling-deal with sentence that sums up what drawback your book solves and what the benefits of your 2512 guide can be to the customers who buy it.
