If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the brand new e book, but do not embody a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure that your gross sales copy is exactly the same on every page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum value is.
