substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Ensure that your sales copy is exactly the same on every page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a book that solves a problem or presents a brand new approach, your guide will herald both site visitors and profits.
