## Advertising Strategies

The key that unlocks the gross sales potential of your ebook is to discover a single sentence that becomes your promoting handle. This sentence states what question or problem your e book answers and the advantages your e-book can provide. Then be sure you use that sentence in each piece of sales

and promotional materials, and each time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that can show you how to promote more books.

One is to present something away free of charge with your guide, akin to a worthwhile bonus item. Or bundle several ebooks under one value, which lowers the value for each ebook if they were offered separately.

An efficient method for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by making a sales web page for the new e-book, but don't include a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with totally different costs on every page. Ensure that your sales copy is strictly the same on every web page, and includes your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.

In the end, in case you've written a ebook that solves a problem or presents a new approach, your book will herald each visitors and profits. So you'll want to write that selling-handle sentence that sums up what drawback your ebook solves and what the benefits of your 873 e book will be to the customers who buy it.
