Do that by making a sales web page for the new guide, however do not include a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is exactly the

identical on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Ultimately, when you've written a ebook that solves a drawback or presents a new method, your book will bring in both visitors and profits.
