An efficient technique for determining a value is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the brand new e-book, but do not embrace a value on that

page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the identical on each page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, if you happen to've written a ebook that solves a problem or presents a new approach, your e-book will herald each site visitors and profits.
