As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is exactly the identical

on each web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum worth is.

Finally, for those who've written a e book that solves a drawback or presents a new method, your guide will usher in each site visitors and profits.
